ABSTRACT

Designed for migratory agricultural workers whose children attended Florida schools during the winter, this directory lists and describes summer educational programs outside the state of Florida. The programs are said to provide trained teachers and other personnel, planned recreational and vocational training, and enrichment programs designed for migrant children. Parents are encouraged to enroll their children in these programs by checking under the state where they are working and by telephoning the program director nearest the town where they are working. Information provided from each state specifies the county or district, school, town, program, contact person, and phone number. The 19 states for which information is provided are Alabama, Delaware, Georgia, Indiana, Maryland, Massachusetts, Michigan, Minnesota, Missouri, New York, North Carolina, Ohio, Oklahoma, Pennsylvania, South Carolina, Tennessee, Virginia, West Virginia, and Wisconsin. The introductory letter to the parents is written in both English and Spanish. (HBC)

SUMMER PROGRAMS FOR CHILDREN OF MIGRATORY AGRICULTURAL WORKERS
PROGRAMAS DEL VERANO POR LOS NIÑOS DE TRABAJADORES
MIGRATORIOS EN AGRICULTURA

QUERIDAS PADRES:

Las escuelas de la Florida han tenido el gusto de tener a sus niños en los programas de educación.

Durante el verano haga lo posible por mantener a sus niños en los programas educativos en el estado donde radica. Los educarán y estarán protejidos por maestros y demás personas bien preparadas. Muchas escuelas preparán camidas calientes y servicios de salubridad les serán proporcionados. Programas de recreación, entrenamiento vocacional y programas enriquecidos serán preparados para sus niños.

Que este librito les sirva de guía durante su viaje. Puede matricular a sus niños en estos programas si indaga en el estado donde ustedes están trabajando o pueden llamar al director del programa mas cercano de donde ustedes trabajan.

DEAR PARENTS:

The schools of Florida have been happy to have your children in their school programs.

While you are away this summer, please let your children attend the educational programs in other states. They will be taught and cared for by trained teachers and other personnel. Many schools will serve hot meals and health services will be provided. Planned recreational, vocational training, and enrichment programs are designed just for your children.

Let this little booklet serve as a directory while you are away. You can enroll your children in these programs by checking under the STATE where you are working and by **calling the program director** nearest the town where you are working.

UP THE STREAM

Bill and Mary Ann huddled against the porch and watched the raindrops fall on the dusty farm road. Almost all the oranges were gone from the trees. The tomato vines were almost bare. Mary Ann saw Mr. Thomas, the crewleader, walk over to the old bus, THE BLUE GOOSE, that was resting under the tall pine tree. She saw him get into the bus and heard the motor go zroooooom, zroommmm. They saw him get out of the bus and look at the motor and then walk around the side and kick the tires. Mary Ann said, "Looks like we'll soon be moving along." Bill said, "I kind of hate to go. You know school wasn't so bad this year. I made so many new friends and had so much fun learning. I think I learned a lot this year. Sure hope I don't forget everything before I come back.

"Well, you remember that little booklet that they gave us last year," said Mary Ann "Why, it told us all about all the good summer programs in other states. You remember it said that they not only studied but they also had a lot of fun. Why, they even went to the beach, on bus trips, played baseball, went to see movies, had arts and crafts. Pedro told us that he even learned to play the guitar!"

You too, can join Bill, Mary Ann and Pedro this summer! Here are the summer programs in the states where you might be going with your parents as they go UP THE STREAM!

AGUA ARRIBA

Guillermo y Ana María se arriman al portal de la casa y ven las gotas de agua caer en el Camino polvoriento. Ya no había naranjas en los árboles. Las plantas de tomate estaban también despojadas. Ana María vió al señor Thomas, el jefe, que venía hacia el autobús, EL GANZO AZUL, que estaba estacionado bajo un pino muy alto. Lo vió entrar en el autobús y oyó el Zumbido del motor, el andar al rededor y acocear las llantas. Ana María dijo, "Parece que pronto saldremos." Guillermo dijo, "yo siento irme. Me gustó la escuela este año. Hice muchos amigos y me divertí mucho aprendiendo. Aprendí mucho este año. Espero no olvidar todo do que aprendí antes de regresar."

"Bueno, tu te acuerdas de aquel librito que nos dieron el año pasado," dijo Ana María. "Nos decía de los programas de verano en otros estados. Te acuerdas que decía que no solo se estudiaba sino que también era divertido. Hacen viajes por autobús, juegan al béisbol, van al cine, estudian arte y artificios. Pedro nos dijo que hasta había aprendido a tocar la guitarra!"

Este verano tu también puedes hacer lo que Guillermo, Ana María y Pedro hicieron! Estos son los programas de verano en los estados donde irás con tus padres según viajan AGUA ARRIBA!
